News:

Be sure to check out our new website launching in 2018.

Check out our Facebook page to stay up to date and see great pictures and videos!

We have been selected to participate in a Science Matters program through the Science Museum of MN. What this means is that they are coming to our school to do a school-wide presentation and the E2 classes get to go on an overnight camp-in at the museum on March 29th!!

Thanks so much to Camille Howard for spending so much time putting together and organizing our best Winter Program yet!!

Thanks to the students for performing so well and having fun! Special thanks to all who took the time to come and support our students! We appreciate each and every one of you!
